

# When You're Near Me I Have Difficulty

[XTC](#)

When you're near me, I have difficulty respirating  
When you're near me, I have difficulty concentrating  
When you're near me, I have difficulty standing upright  
When you're near me, I have difficulty sleeping at night I used to stand proud like a sphinx  
In a noble immovable state  
And then your heart nailed me under a jinx Now I'm feeling like a jellyfish  
Just a spineless wobbly jellyfish  
And it's great, great, so great When you're near me, I have difficulty respirating  
When you're near me, I have difficulty concentrating  
When you're near me, I have difficulty standing upright  
When you're near me, I have difficulty sleeping at night I used to stand high like a pine  
Just a piece of emotionless wood  
And when you put your body near mine Now I'm feeling like a jellyfish  
Just a spineless wobbly jellyfish  
And it's good, good, so good I used to be an iceman, living in iceman town  
So I'm warning all you cool, cool icemen  
Better be prepared to be melted right down, down When you're near me, I have difficulty respirating  
When you're near me, I have difficulty concentrating  
When you're near me, I have difficulty standing upright  
When you're near me, I have difficulty sleeping at night When you're near me, I have difficulty  
When you're near me, I have difficulty  
When you're near me, I have difficulty
