You Can Win If You Want

Modern Talking

You packed your things in a carpetbag Left and never looking back Rings on your fingers, paint on your toes Music wherever you goYou don't fit in a small town world But I feel you're the girl for me Rings on your fingers, paint on your toes You're leaving town where nobody knows You can win if you want If you want it, you will win On your way you will see that life is more than fantasy Take my hand, follow me Oh, you've got a brand new friend for your lifeYou can win if you want If you want it, you will win Oh, come on, take a chance for a brand new wild romance Take my hand for the night And your feelings will be right, hold me tightOh, darkness finds you on your own Endless highways keep on rolling on You're miles and miles from your home But you never want to phone your homeA steady job and a nice young man Your parents had your future planned Rings on your finger, paint on your toes That's the way your story goesYou can win if you want If you want it, you will win On your way you will see that life is more than fantasy Take my hand, follow me

If you want it, you will win
Oh, come on, take a chance for a brand new wild romance
Take my hand for the night
And your feelings will be right, hold me tight

Oh, you've got a brand new friend for your lifeYou can win if you want
