Fading Away

Will to Power

Oh, I want you near me
Your touch is silver and your eyes are blue
Oh, I need you with me
For you are faithful and always trueOh, I love your sweet possession
Don't ever leave me, please don't go away
Tell me all your deep confessions
I'm yours forever and I'm here to stayOh, how I miss you
Oh, I feel our love is fading away
Fading away, fading away, fading awayOh, please come back to me
Your eyes are shining and your heart is gold
Oh, why can't you hear me?
Our love was burning now it's growing coldDon't you ever try to wake up
Just listen to me give me one more chance
Now I think it's time we make up
The winds of heaven let our spirits danceOh, how I miss you
Oh, I feel our love is fading away
Fading away, fading away, fading awayIf I believed you, I'd crawl back to you
The words you're saying now it's nothing new
I'd crawl on my knees and just beg for more
But this is the last time I'm at the doorOh, how I miss you
Oh, I feel our love is fading away
Fading away, fading away, fading awayFading away
