

# A Shot

## Hollysiz

You are a shot  
Of morphine  
Or something who makes me  
Addicted  
To your hands  
To your skin  
You're a poison  
You're a prison  
For my brain  
You give me my dose once a week  
You're a freak  
You constantly use me  
Abuse me  
And I'm sick  
I'm sick of your trick  
It's chronic  
Ironic  
Narcotic You make me scream  
You make come  
And your leave me  
When you're gone  
You make me cry  
When you're gone I want to give up  
I want to give up  
I want to give up  
But I'm stone How can I am scare?  
How can I am scare? Now I'm fight  
Now I stark How can I am scare?  
How can I am scare? Now I'm fight  
Now I stark
