

Throw It Away (Rehearsal 1979)

Germs

I've been looking, looking so far
You've been listening, listening so hard
I've been talking, stalking all night
You've been thinking, thinking I'm right I've been missing, missing some parts
I've been calling, calling it art
We've been lurking, lurking for clues
We've been whistling, whistling for you Trying to make some kinda sense out of it
Throw it away, throw it away
Trying to make some kinda sense out of it
Throw it away, throw it away
Don't know what I really got
Don't know if I even thought
