Perfect Kiss

Marie Hines

I love the shape of your mouth
I love the taste of your lips
I love the way you pull me into you and I melt
When you're holding my hipsI love the scar on your chest
And all your perfect tattoos
You're a kind of drug, the kind that I need,
The only kind I could chooseOh, we can't get any better than this
You've stolen me with your perfect kiss,
And I know, I know, I know, you're who I've waited forI love the sound of your laugh
When you throw back your head
I love the way you always reach for my hand
When I get out of bedI love the way that you tease
Call me ball and chain
But you would sink to the depths of the seas
Still breathing my nameOh, we can't get any better than this
You've stolen me with your perfect kiss,
And I know, I know, I know, you're who I've waited for
You've captured me, but it's no surprise
I saw it coming in your eyes
And I do, I do, I do, I belong to youBelong to you
(Oh, Oh, Oh)
(Oh, Oh, Oh)
Let's build a home
Let's build a home
Cause you are home
You are homeOh, we can't get any better than this
You've stolen me with your perfect kiss,
And I know, I know, I know, you're who I've waited for
You take my hand and you take a knee
And I can see what you're asking me,
And I do, I do, I do, I belong to youOh, we can't get any better than this
You've stolen me with your perfect kiss,
And I know, I know, I know, you're who I've waited for
You took my hand when you took a knee,
And all along waited patiently
But I do, I do, I do, I belong to youI do, I do, I do, I belong to you.
