Advisory - the following lyrics contain explicit language:

Be my ritual  
Be my one desire  
Be my light be my pure delight  
Be my purifier You'll never know what you do to me  
Five times a day  
My self destruction you'll oversee  
Don't go don't go away Just a touch of you  
Just a taste  
Like kissing God is what we do  
Let's go to waste You'll never know what you do to me  
So sublime  
You're like the Devil in Heaven  
Every every time You've been hanging with the nicest people  
Hammerhead  
Some silken slip of evil  
Hammerhead Take food from my mouth  
Take my sex  
Take my friends take my lovers  
Here take this You'll never know what you do to me  
Maybe I'm wrong  
Let's take this journey together  
Please come please come along  
Please come please come along You've been hanging with the nicest people  
Hammerhead  
Some silken slip of evil  
Hammerhead Ooh, ooh
