

# Worst Case Scenario

## Chunk! No, Captain Chunk!

Woah, woah

Woah, woah

Woah, woah

Woah, woah

I know that I've been free falling for a while

No back up plan

I can do this on my own

Though I tried but I failed gracefully

The lower I go but the better I sing

I swallowed my pride and it tasted so sweet

Worst case scenario

Turn up your stereo

What you hear is what you get from me

Worst case scenario

You've got to let it go

If what you hear is what you get

It is real

Sing it back to me

Woah, woah

Woah, woah

Woah, woah

Please keep your pocket change

Wherever I lay my head's home

And I will never sell out for diamonds and gold

Please keep your sympathy

I drive down this road alone

And I won't spin out if I lost control

Though I tried but I failed gracefully

The lower I go but the better I sing

I swallowed my pride and it tasted so sweet

Worst case scenario

Turn up your stereo

What you hear is what you get from me

Worst case scenario  
You've got to let it go  
If what you hear is what you get  
It is real  
Sing it back to me

Hear the soundwaves going through your ears  
[?] for miseries never seemed so clear

Though I tried but I failed gracefully  
The lower I go but the better I sing  
I swallowed my pride and it tasted so sweet

Worst case scenario  
Turn up your stereo  
What you hear is what you get from me  
Worst case scenario  
You've got to let it go  
If what you hear is what you get  
It is real  
Sing it back to me

Woah, woah  
Woah, woah  
Woah, woah  
Woah, woah
