True Friend

Twila Paris

Seems like you know when I need you
Seems like He knows who to send
You never come as a prophet
Just an open hearted friendFaithfully wounding my pride
Bringing me back to His side
Sharing the word that you hide in your heartYou are a true friend pointing me to Him
Lifting my downcast eyes
Turning my wondering gaze to the sky
Proving your love again, you are a true friend
You are a true friendSome days I feel like a failure
And I'd love to leave it all
I see no reason to go on
That's when you decide to callMaking it simple and clear
That's why your voice is so dear
My heart takes courage from hearing you sayYou are a true friend pointing me to Him
Lifting my downcast eyes
Turning my wondering gaze to the sky
Proving your love again, you are a true friend
You are a true friend, you are a true friend
