

# Forever Today

## Reckless Kelly

She said maybe I'll see you again in another life  
Someday maybe, we'll finally get the timing right  
Said we'd be crazy to let this be our last goodbye  
But if that's what it takes, I'll wait for you til the end of time But I don't wanna wait for another life to be with  
you

Our hearts are one, somehow they remain as two  
And I'm a patient man, but what if it don't work that way  
I wish you and me would start our own forever today Maybe I'll be a hero and I'll rescue you  
Somewhere in some far off place out of the blue  
Maybe you'll be my savior and you'll pull me through  
Whatever shape you take I know

I'll be in love with you But I don't wanna wait for another life to be with you

Our hearts are one, somehow they remain as two  
And I'm a patient man, but what if it don't work that way  
I wish you and me would start our own forever today  
I wish you and me would start our own forever
