

Closer Now

Filo & Peri

Believe you might stumble and come closer
I like to wake alone, to lie and turn to stone
 Comfort me, come to me, I won't go on
I like to walk along, to keep my head screwed on
Well, I'm the best, so well done me, I won't go on
 Believing, believing
I believe you might stumble and come closer now
If I stay then I'm alone, if I go then it will mean
 Waiting on my own, it's the pattern of my life
When you care and you cannot feel and you know that it's for real
 So you leave me on my own to live the pattern of my life
 Believe you might stumble and come closer now
 Make time to be all this and more for me
Well, you're the best, so well done you, I won't go on
 Believing, believing
I believe you might turn from your love, wait around
If I go here I'm alone, if I stay then it will mean
 Waiting on my own, it's the pattern of my life
When you care and you cannot feel and you know that it's for real
 So you leave me on my own to live the pattern of my life
 Believe you might turn from your love, wait around
 If I stay then I'm alone, if I go then it will mean
 Waiting on my own, it's the pattern of my life
When you care and you cannot feel and you know that it's for real
 You just leave me on my own to live the pattern of my life
 If I stay then I'm alone, if I go then it will mean
 Waiting on my own, it's the pattern of my life
When you care and you cannot feel and you know that it's for real
 So you just leave me on my own to live the pattern of my life
 Believe you might stumble and come closer now
