

Yr Mangled Heart

Gossip

If everything you do has got a hold on me
Then everything I do has got a hole in it
Ive been here before, I should be used to it
But I cant take it no more, I cant take it no more
Oh whoa, oh whoa, whoa, whoaYr mangled heart, your battered love
Thats hanging on to memories
Youre letting go of everything that used to be
Ive had enough, you'll build me up to let me down, yeahIf everything I do has got a hole in it
Then everything you do has got a hold on me
Ive been here before, I should be used to it
But I cant take it no more, I cant take it no more
Oh whoa, oh whoaYr mangled heart, your battered love
Thats hanging on to memories
Youre letting go of everything that used to be
Ive had enough, you'll build me up to let me downOoh, yr mangled heart, your battered love
Thats hanging on to memories
Youre letting go of everything that used to be
Ive had enough, you'll build me up to let me down, yeahI dont want the world, I only want what I deserve
I dont want the world, the world, I only want what I deserve
I dont want the world, the world, I only want what I deserveYr mangled heart, your battered love
Thats hanging on to memories
Youre letting go of everything that used to be
Ive had enough, you'll build me up to let me downYr mangled heart, your battered love
That's hanging on to memories
You're letting go of everything that used to be
I've had enough, you'll build me up to let me down
