

# Wind Beneath My Wings

Gerald Levert

It must of been cold there in my shadow  
To never have sunlight on your face  
you've been content to let me shine  
you always walked a step behind  
I was the one with all the glory  
While you was the one with all the strength  
only a face without a name  
i never once heard you complained

Chorus:

Did you ever know that your my hero?  
And everything I would like to be  
I can fly higher than an eagle  
Cause you are the wind beneath my wings

It might of appeared to go unnoticed  
That I Got It all here in My Heart  
I Want you to know i know that truth  
I would be nothing without you

Chorus

Cause- you - are- the - wind- beneath-my - wings
