Saboteur

Storksky

You just sit there by your window
Lights are on, it's dark outside
Any man who barely knows you
Gets to take you for a ride

Oh I'm desperately searching
For a way to safe your life
Are you there and trynna kick it (not sure about this one)
Are you running out of time

Empty bottles on your table
They contain prescription drugs

Oh I'm desperatley searching
For a way to safe your life
While the pills are kicking in
You are running out of time

Baby answer me just blink your eyes
Once for yes and twice for no
Please try
x2

There's a pencil still in your hand
You just wrote your last goodebye

I am desperately searching
For a way to safe your life
While your eyes are rolling back in your head
We are running out of time

We are running out of time...
