Found I Lost

Johanna Warren

hey
why'd you go?
why'd you stay
so long if you know
i'm insane
even though
it's a game i play
you say no
body's to blame
but you don't have to soften the blow
well why
should i care
if i die
you know life's not fair
so come on, no more try
ing let's sit and stare
at our indescrib
able, deep despair
call me a liar and a coward
tell me you know I wouldn't dareonce in a while, things get bad
i found i lost something i never knew i had
you know
the deal
it's all for show
you know nothing's real
but let's try to pho
tograph how we feel
find the mo
tor behind the wheel
are we in mo
tion or just still frames projected from an endless reel?once in a while, things get bad
i found i lost something i never knew i hadand i'm
so
so
sorry
