

# Jersey Clowns

## Josh Rouse

Tell the boys in the back  
That Danny's crashed his Cadillac  
He ain't hurt anybody  
At least he wasn't drinkingHe was just outside Detroit  
You know his roads they are all broke  
He can't get any place  
There ain't no point in drivingHe's flying in today  
He's been all around the U.S.A.  
He's seen every state  
At least twiceWho's gonna break the news  
That his lady's run loose  
You know it's getting around  
I've gotta tell him the truthBut, I don't want to do it  
Don't want to bring him down  
Cause being down  
With some jersey clowns  
Can almost drive you insaneWhat a shame he's been away  
Cause he's worked so hard  
To pay those bills  
He's got two kidsFrom his marriage before  
And I wonder what makes him stay  
You know it ain't the first time  
She's played him like thisA thousand times  
It won't be the lastWho's gonna break the news  
That his lady's run loose  
Yeah, it's getting around  
I've gotta tell him the truthBut, I don't want to do it  
Don't want to bring him down  
'Cause being down  
With some jersey clowns  
Can almost drive you insaneTell the boys in the back  
If they've got some room for Dan  
I'm sure he'd be grateful  
He's coming home todayWho's gonna break the news  
That his lady's run loose  
Yeah, it's getting around  
I've gotta tell him the truthBut, I don't want to do it  
Don't want to bring him down  
'Cause being down

With some jersey clowns  
Can almost drive you insane  
Being down  
With some jersey clowns  
Can almost drive you insane  
Insane
