

Call Me (Blondie Cover)

In This Moment

Color me your color baby, color me your car
Color me your color darling, I know who you are
Come up off your color chart
I know where you're coming from Call me on the line
Call me, call me any, any anytime
Call me my love
You can call me any day or night
Call me Cover me with kisses baby, cover me with love
Roll me in designer sheets, I'll never get enough
Emotions come, I don't know why
Cover up love's alibi Call me on the line
Call me, call me any, any anytime
Call me my love
You can call me any day or night
Call me Aah, he speaks the languages of love
Aah, amore chiamami
Ooh, appelle-moi mon cherie
Anytime, anyplace, anywhere, anyway
Anytime, anyplace, anywhere, any day Call me my love
Call me, call me any, any anytime
Call me for a ride
Call me, call me for some overtime Call me in my life
Call me, call me in a sweet design
Call me, call me for your lover's, lover's alibi
Call me, call me, call me Color me your color baby, color me your car
Color me your color darling, I know who you are
Come up off your color chart
