You can't talk  
I'm anxious  
I'm off the walls  
I'm right here just  
Come outside  
And see it  
But pack your heart  
You might need it  
I'll find a way  
I'm confused though  
But I think I can try  
I will save your life  
I will save your life  
I'll try for you  
You're locked up  
You exhaled  
You did it before  
And I seen it  
Come outside  
And breathe in  
Relax your arms  
And let me in  
I'll find a way  
I'm confused though  
But I think I can try  
I will save your life  
I will save your life  
I'll try for you  
I know what to say  
To take you  
Higher, higher  
No one else can  
Take you higher  
But I will try  
I'll find a way  
I'm confused though  
But I think I can try  
I will save your life  
I will save your life

I'll try  
I'll find a way  
I'm confused though  
But I think I can try  
I will save your life  
I will save your life  
I'll try for you  
For you
