Infatuation

Lisa Lisa

( ) denotes back up vocalsIts the craziest thing inside of me thats got me feelin weak (feel weak)
It has me up all night walkin round I cant lay down to sleep (to sleep)
Cause Im thinkin about the special way you slowly kiss me babe
Then hug me tight before you said goodnight and walked away(Chorus)
Its the sweetest emotion fuzzy yet so clear (fuzzy yet so clear)
Infatuation I aint felt you in years (felt you in years)
Im a full grown woman actin like a kid (just like a kid)
Cause infatuation I aint felt you in years, InfatuationBoy I gotta let you know
I pray that god will cause this thing we have to grow
Cause when Im with you there is no place Id rather be
And just like teenagers in love theres no separating you and me(Chorus)
Its the sweetest emotion fuzzy yet so clear (fuzzy yet so clear)
Infatuation I aint felt you in years (felt you in years)
Im a full grown woman actin like a kid (just like a kid)
Cause infatuation I aint felt you in years, InfatuationAnd I never felt so good like when were kissin
And when were touchin I get a buzz all in my body baby
And I never knew that I could feel so new and young again
In love again, baby ooo(Chrous)
Its the sweetest emotion fuzzy yet so clear (fuzzy yet so clear)
Infatuation I aint felt you in years (felt you in years)
Im a full grown woman actin like a kid (just like a kid)
Cause infatuation I aint felt you in years, Infatuation
