

Lay Your Hands on Me

Bon Jovi

If you're ready, I'm willing and able
Gonna lay my cards out on the table
'Cause you're mine, I'm yours for the taking
Right now the rules we made are meant for breaking
What you get ain't always what you see
But satisfaction is guaranteed
But what you give is always what you need
If you want me to lay my hands on you (Lay your hands on me, lay your hands on me)
Lay your
(Lay your hands on me, lay your hands on me) Lay your
(Lay your hands on me, lay your hands on me)
Hands
(Lay your hands on me, lay your hands on me)
On me
(Lay your hands on me, lay your hands on me) I'm a fighter, poet
And a preacher
I've been to school
Baby, I've been the teacher If you show me
How to get up off the ground
I'll show you how to fly
And never come back down Everything you want is what I need
Satisfaction is guaranteed
But the ride, never comes for free, so
If you want me to lay
My hands on you (Lay your hands on me)
(Lay your hands on me)
(Lay your hands on me)
(Lay your hands on me) Lay your
(Lay your hands on me, lay your hands on me)
Hands
(Lay your hands on me, lay your hands on me)
On me
(Lay your hands on me, lay your hands on me) Lay your
(Lay your hands on me, lay your hands on me)
Yeah yeah
(Lay your hands on me, lay your hands on me)
On me
(Lay your hands on me, lay your hands on me) Don't you know I only aim to please
So if you want me to lay
My hands on you Lay your hands on me

Lift me up, take me high
Lift me upLay your
(Lay your hands on me, lay your hands on me)
Hands
(Lay your hands on me, lay your hands on me)
On me
(Lay your hands on me, lay your hands on me)Lay your
(Lay your hands on me, lay your hands on me)
Yeah, yeah, yeah
(Lay your hands on me, lay your hands on me)
On me
(Lay your hands on me, lay your hands on me)(Lay your hands on me)
(Lay your hands on me)
(Lay your hands on me)
