

In the Heat of the Night

[Sandra](#)

Talk to me, want my love
Talk to me but not that stuff
You ain't enough, usin' my love
You call for me, again I see In the heat of the night
You'll lose your heart and sell your soul
I lose control in the heat of the night
It's much too late to leave the trade But I can't stand it anymore
You'll lose your heart and your soul
I lose control in the heat of the night
In the heat of the night Talk to me, want my love
Talk to me but not that stuff
Who's on my side losin' my pride
You call for me, again I see In the heat of the night
You'll lose your heart and sell your soul
I lose control in the heat of the night
It's much too late to leave the trade But I can't stand it anymore
You'll lose your heart and your soul
I lose control in the heat of the night
In the heat of the night In the heat of the night
You'll lose your heart and sell your soul
I lose control in the heat of the night
It's much too late to leave the trade But I can't stand it anymore
You'll lose your heart and your soul
I lose control in the heat of the night
In the heat of the night You'll lose your heart and your soul
It's much too late to leave the trade
