

# Houdini

## Foster The People

Rise above, gonna start the war!  
Oh, what you want, what you need  
What'd you come here for?  
Well, an eye for an eye and an 'f' for fight  
Taking me down as the prisoners riot  
Yeah yeah  
Got shackles on, my words are tied  
Fear can make you compromise  
Lights turned up, it's hard to hide  
Sometimes I want to disappear  
When I feel kinda bad and don't want stress  
Just pass it off on ability  
Well you got what you want, what you never knew  
Perfect gift from me to you  
Yeah yeah yeah  
Got shackles on, my words are tied  
Fear can make you compromise  
With the lights turned up, it's hard to hide  
Sometimes I want to disappear  
(Raise up to your ability)  
You never knew that I could find

What could come when we realize  
Some won't stop with the compromise  
(Raise up to your ability)  
Yeah I'm scared but I'll disappear  
Running around cause I'm filled with fear  
I can't do it cause my life's a wreck  
(Raise up to your ability)  
I know that you wanna  
Throw me into the Sea  
For my ability  
(Raise up to your ability)  
Yeah I'm undecided  
Yeah just want to leave it  
I don't wanna walk away  
(Raise up to your ability)  
You gotta focus on your ability  
Focus on your ability

Now focus on your ability  
Focus on your ability  
Gain again what they want to steal  
Gain again what they want to steal  
Then gain again what they want to steal  
Gain again what they want to steal
