Rosie's On Fire

Boy Kill Boy

I like to see everything unwind, oh ah
Just suppose that youre on my mind, oh ah
I need to sleep but my eyes wont close, oh ah
Thats the way you keep me on my toes, oh ahShe needs to go to her home
She needs to show everyoneRosies on fire, can you see her?
Rosies on fire, can you hear her?
Oh ah, oh ahI need to run but my feet wont move, oh ah
I need to reach but my hands are tied, oh ahOh, she needs to go way back home
She needs to tell everyoneRosies on fire, can you see her?
Rosies on fire, can you hear her?
Oh ah, oh ah
Oh ah, oh ahRosies on fire, can you see her?
Rosies on fire, can you hear her?
