

I Got It (ft. Aubrey O'Day)

Donnie Wahlberg

(If you want it I got it)
(I got it, I got it)
(If you want it, I got it)
(I got it, I got it)
(If you want it, I got it)
(I got it, I got it)
(If you want it, I got it)
(I got it, I got it) You say you want your name in lights
Celebrity invites
Bottle service
Reoccurring security fights
That's a nightly affair
I can take you there
Where you wanna go, girl DW Air If you want a man who can love you
Hold you down when no one is around to
I'll meet the family
We can start a family
You can make the band with me
You know it's meant to be (Chorus)
If you want it I got it
If you want it I got it, girl
Want it I got it
I guarantee I got it, girl If you want it I got it
If you want it I got it
If you want it I got it
Got everything you want boy And I got that good love
I got that good love, girl
You didn't know, didn't know And I got that good love
I got that good love, boy
You didn't know, didn't know You say you want a trophy lady
Make 'em all go crazy
Have 'em stopping
Picture poppin'
Red carpet occasion
I got that good, good
Make ya wish you could, could
But if I'm with ya I'll make it understood, boy If you want a girl who can change your world
Hold ya down when no one is around to
Baby I'll rock with you

Keep it on lock for you
I'll rep the block with you
I'll make it hot for you(Chorus)
If you want it I got it
If you want it I got it, girl
Want it I got it
I guarantee I got it, girlIf you want it I got it
If you want it I got it
If you want it I got it
Got everything you want boyAnd I got that good love
I got that good love, girl

(I got it, I got it)
(If you want it, I got it)
(I got it, I got it)
(If you want it, I got it)
(I got it, I got it)
(If you want it, I got it)
(I got it, I got it)You know it's kind of strange

What you want I-I-I got it
