Illusion of You

JillandKate

He leaves me wondering
When I'll see him again
And the words he said ring in my head
Oh, I really should have known
By the time you drove me home
By the vagueness in your eyes
Your casual good-byes
By the chill in your embrace
The expression on your face
That told me, maybe you might have
Some advice to give
On how to be Insensitive
Insensitive
Insensitive

He walked past without a word
But his voice is all I heard
And I will smile and I reply
As I pretend to catch his eye

Oh, you probably wonâ€™t remember me
Itâ€™s probably ancient history
Iâ€™m one of the chosen few
Who went ahead and fell for you
Iâ€™m out of hope, Iâ€™m out of touch
I fell too fast, I feel too much
I thought that you might have
Some advice to give on how to be insensitive
Insensitive
Insensitive
