Light Up the World

Open Heaven

Verse 1
I will not fear the terror of night
My strength and life are found in You
No tears, no sorrows in sight
When I put my hope in YouPrechorus
Everywhere we go
Everywhere we are
Let Your love flow
Let Your light shineChorus
Light of the World
Light Up the World
Light of the World
Shatter the darkness with Your loveVerse 2
Illuminate my dreams, my life
Speak truth to my atmosphere
Be my vision, be my guide
Give me eyes to know You're here
