

Forever (Dan Lissvik Remix)

HAIM

Hey you!
Remember me? Remember love?
Remember trying to stay together?
My time, you took it all
You tried to see
You tried to bring yourself up without involving me
It isn't fair, to have your way
To try and get up and go and na na na na now can't you see
It isn't fair to have your way
But I'm trying to get your attention and I need you to know that Hey you! Hey you!
Can't you make this thing?
I know, I know, I know you ain't the one to play the game
Now I know I'm never gonna go your way
Here we go, now I know, I know know know Forever I try to make it right
Together we suck, end in sight
I'm tired of fighting the good fight
If you say the word then I'll say goodbye Forever I see you and me
Forever I'll try for you and I
No I never believed in the reason
Just another good reason to get a ride I don't want to turn around
So come on baby
Come on and try to let it out
Let it go
We're still the same
So come on baby
Kick to the sounds, let's figure it out
Let's get back to where we started out Hey you! Hey you!
Can't you make this thing?
I know, I know, I know you ain't the one to play the game
Now I know I'm never gonna go your way
Here we go, now I know, I know know know Forever I try to make it right
Together we suck, end in sight
I'm tired of fighting the good fight
If you say the word then I'll say goodbye Forever I see you and me
Forever I'll try for you and I
No I never believed in the reason
Just another good reason to get a ride Go go go go get out, get out of my memory
No no no not tonight, I don't have the energy Go go go go get out, get out of my memory
No no no not tonight, oh not tonight, oh not tonight Forever we try to make it right

Together we suck, end in sight
I'm tired of fighting the good fight
If you say the word then I'll say goodbyeForever I see you and me
Forever I'll try for you and I
No I never believed in the reason
Just another good reason to get a rideForever I try to make it right
Together we suck, end in sight
I'm tired of fighting the good fight
If you say the word then I'll say goodbyeForever I see you and me
Forever I'll try for you and I
No I never believed in the reason
Just another good reason to get a ride
