Standing In the Sun

Jessica Lea Mayfield

I'm glad to see you standing in the sun
Standing in the sun
I'm glad to see you standing in the sun
Standing in the sun
Standing in the sun, standing in the sunWhen you go, it makes me sad,
Standing in the sun, standing in the sun
There's a vision of you that I have,
Standing in the sun, standing in the sun
Standing in the sun, standing in the sunI know I can change your ways,
Standing in the sun, standing in the sun
By talking with you everyday,
Standing in the sun, standing in the sun
Standing in the sun, standing in the sun
I would like to you live,
Standing in the sun, standing in the sun
Not survive, but really live,
Standing in the sun, standing in the sun
Standing in the sun, standing in the sun
