Komorebi

Craft Spells

Take the time to know,
how alone you are in this world
just to find
death is on your mind
as you stand still, you realize where you are
in her world
aged and bright,
my moon after the tideHow was I to show
for the time I spend alone
in my head
the world nobody knows
as I lay still, your wind carried the clouds
to feel
slow and kind
my moon after the tide
