

Ordinary (Rock Version)

Train

Whose eyes am I behind?
I don't recognize anything that I see

Whose skin is this design?

I don't want this to be the way that you see meI don't understand anything anymore

In this web that I'm tied up

Is taking me right up these walls

That I climb up to get to your story

It's anything but ordinaryAnd when the world is on its knees with me it's fine

And when I come to the rescue I get nothing but left behind

Everybody seems to be getting what they need, where's mine?

'Cause you're what I need so very but I'm anything but ordinaryCan you save me from this world of mine?

Before I get myself arrested with this expectation

You are the one, look what you've done what have you done?

This is not some kind of joke, you're just a kid

You weren't ready for what you did, noAnd when the world is on its knees with me it's fine

And when I come to the rescue I do it for you time after time

Everybody seems to be getting what they need where's mine?

'Cause you're what I need so very but I'm anything but ordinaryI think I'm trying to save the world for you

You've been saving me too

We could just stay in and save each otherI'm anything but ordinary

I'm anything but ordinary
