

You Keep On Moving

Deep Purple

You keep on moving
Far away, far away
You you keep on moving
Far away, far away Every day
Wheels are turning
And the crime
Still returning Dawn will soon be breaking, the day has just begun,
You put your arms around me like a circle round the sun,
You dance across the seasons,
To a place where no one knows
Where angels fear to tread Dawn will soon be breaking, the day has just begun,
You put your arms around me like a circle round the sun,
You dance across the seasons,
To a place where no one knows
Where angels fear to tread You keep on moving
Far away, far away
You you keep on moving
Far away, far away Every day
Wheels are turning
And the crime
Still returning
