

# Ruled By Secrecy

## Muse

Repress and restrain  
Still the pressure and the pain  
Wash the blood off your hands  
This time she won't understand

Change in the air  
And they'll hide everywhere  
And no one knows who's in control

You're working so hard  
And you're never in charge  
Your death creates success  
And you'll build and suppress

Change in the air  
And they'll hide everywhere  
And no one knows who's in control

Change in the air  
And they'll hide everywhere  
And no one knows who's in control
