

Just a Little (Unreleased Track from Debut Album)

The Used

Surprise me I'm looking out looking out
Surprise me you jump back up on to your feet somehow Surprise me I'm looking out looking out
Surprise me you jump back up on to your Things appear gone, things appear gone
Where'd you go?
Seems like your better half said it all
You're wonderful
Seems like your better half said it all Surprise me I'm looking out looking out
Surprise me you jump back up on to your feet somehow Surprise me I'm looking out looking out
Surprise me you jump back up on to your Things appear gone..things appear gone
Where'd you go?
Where'd you go?
You're wonderful
Seems like your better half said it all Wonderful wonderful wonderful wonderful
Angels can fly
Motivation, motivation (gulp) Things appear gone..things appear gone..things appear gone
Where'd you go? Where'd you go?
You're wonderful
Seems like your better half said it all
You're wonderful you're wonderful
Seems like your better half said it all
Where'd you go?
Seems like your better half said it all
You're wonderful
Seems like your better half said it
