

White Horse

Wonderland Avenue

If you're gonna ride
The white, white horse
The white horse If you wanna be rich
You gotta be a bitch
I said "Rich, bitch, rich, bitch" If you gonna
(Gonna gonna)
If you gonna ride
(Ride, ride) If you're gonna ride
The white, white horse
The white horse If you're gonna ride
Ride the white pony If you gonna
(Gonna, gonna)
If you gonna ride
(Ride, ride)
