

# Easy Come Easy Go

**Bobby Short**

Easy come, easy go  
That's the way if love must have its day  
As it came  
Let it go No remorse, no regret  
We should part  
Exactly as we met  
Easy come, easy go We never dreamed of romantic dangers  
Now that this ends  
Let's be friends  
And not two strangers Easy come, easy go  
Here we are  
So darling au revoir  
Easy come and easy go We never dreamed of romantic dangers  
Now that this ends  
Let's be friends  
And not two strangers Easy come, easy go  
Here we are  
So darling au revoir  
It's easy come and easy go  
Easy go, easy go, easy go
