

# Giv No Fuks (feat. Migos)

## Jeremih

Tonight I decided I don't give no fucks  
(Don't give a fuck) give no fuck  
Tonight I decided I don't give no fucks  
(Don't give a fuck) give no fuck  
Why the fuck my new engine in the trunk?  
Skrrt, in the trunk  
Tonight I decided I don't give no fucks  
(Don't give a fuck, nah) give no fuck  
Every single night I bet she down to suck  
Met another, 'nother bitch, she down to fuck  
Red bone, head the color Tonka truck  
Wake up in the morning, up like Donald Trump  
Room 22 hit the 69  
Started off the 'Tron, I'm off the Henny now  
Bitch come through, she know the dealy now  
You know where I'm from we get to drillin' now  
Side bitch, she tried to tie me up  
Got no feelin' now, pop a pill now  
Sell out live shows, Colliseum now  
Come and see 'em now  
Your main bitch is in my DM now  
Talkin' 'bout their problems  
Drama, that's TMICatch me ridin' in a two-seater  
I don't ever go without the nina  
Doin' everything illegal  
Cause I don't give a fuck about these people  
Benjamin, yes he a friend of mine  
Two girls, they kiss at the same time  
All a nigga see is dollar signs  
Bird, they sound like Ty Dolla \$ign (BRRR)  
I came from the bottom and now I got guala  
I woke up this mornin', lipstick on my collar  
Play with the water like PBJ Otter  
I JK shit like a nigga play soccer  
Kick it, look at you niggas, imposters  
Look at you, actors, you deserve an Oscar  
I'm dabbin', look at my posture!  
Takin' your hoe and I fuck her, don't call her  
You know I don't give a fuck, don't give a fuck!

You know I don't give a fuck, don't give a fuck!  
I am not wifin' these hoes  
You know it could never be you and us  
I came from whippin' them babies  
And now they callin' us the greatest  
Catch me ridin' in the latest  
Piped up, not faded Tonight I decided I don't give no fucks  
(Don't give a fuck) give no fuck  
Tonight I decided I don't give no fucks  
(Don't give a fuck) give no fuck  
Why the fuck my new engine in the trunk?  
Skrrt, in the trunk  
Tonight I decided I don't give no fucks  
(Don't give a fuck, nah) give no fuck  
Every single night I bet she down to suck  
Met another, 'nother bitch, she down to fuck

Niggas talkin' slick, get hit with the uppercut  
I'm not awake then the lil' cousin woke me up  
Hop out the bed and then I grab my double cup  
They hate on us so you know they don't fuck with us  
Can't do nothin' when niggas gon' tell on us  
Out in London, niggas can't get into the lobby  
Runnin' with a bitch with a bubble butt  
I'ma break it down again and I'ma speed it up  
Monopoly, the way I run it up  
I'm whippin' it and lookin' for the fomula  
Ain't nothin' but your bitch lookin' at me, she wanna give it up  
They take it like I'ma dab, but you niggas lack  
Wanted to laugh, nigga I'm still sippin' Act  
Hundred grand in my wallet, backpack  
And we got to get more locked than Buscemi straps  
Thinkin' 'bout coppin' Aventador

Movin' out to Singapore  
Cause these bitches is getting boring  
And niggas leavin' me no choice  
The difference between me and you and gettin' it  
See I wanted to when you was four  
And this rap game, it get heated sometime  
But I thank the Lord cause I'm not where I was  
Side bitch, she tried to tie me up  
Pop it up, pop it up, p-p-p-pop it up  
Wake up in the morning, up like Donald Trump  
Side bitch, she tried to tie me up  
Pop it up, pop it up, p-p-p-pop it up  
Wake up in the morning, up like Donald Trump  
Tonight I decided I don't give no fucks  
(Don't give a fuck) give no fuck
