Mediocre

S. Martin

How many times must I say "I love you" before you believe me?
How many times before you know it's true?
Don't you know that you matter; that you're worth it?
You're enough
We'll make it through.

Don't listen to those lies
Maybe that's the reason why it's
Kinda hard to fall asleep at night

You're so much more than
Mediocre
Like a hand of royals
In a game of poker
You're my favorite fire stoker

You're so much more than
You're so much more than
Don't you know you're so much more than mediocre.
