

# My, My, My (Reprise)

Johnny Gill

Yeah

So good

My, my, my, my

You look so sweet

Listen

Put on your red dress and slip on your high heels  
And some of that sweet perfume, it sure smells good on you  
Slide on your lipstick, and let all your hair down  
'Cause baby, when you get through I'm gonna show off you

Tonight will be a special night

No matter where we go

And I'm so proud to be with you

I just want to let you know

You got my sayin' my, my, my, my, my, my

You sure look good tonight

And you're so damn fine

I wanna say my, my, my, my, my, my (Uh-huh)  
You sure look good tonight (Tonight, after all this time)

Slip on your nightgown, step in our bedroom

First I wanna take some time, I just wanna look at you

Girl, you are so fine, I can't believe my eyes

And all that I wanna do, I wanna make love to you, oh

Tonight will be a special night

A minute more to come

And I'm so proud to be with you

So proud to share your love

My, my, my, my, my, my

You sure look good tonight

I wanna say my, my

Make love all night long, make love till the break of dawn

Come on, come on

Sweet little thing, yes, you do

Yes, you do, do

Yes, you do, yes, you do, do, do, do, do

Yes, you do, do

Yes, you do, yes, you do

And I'm so proud to be with you

So proud to share you're love

You got my singin' my, my, my, my, my, my  
You sure look good tonight  
I wanna love you, I want to love you in every, every way  
Let me, let me show you how sweet it's gonna be  
I wanna show you things that you never  
You never, ever, ever seen before  
Put your nightgown on  
Let your hair hang low  
Step into our room  
I'm in the mood to love you all night long  
You got me sayin' my, my, my, my, my, my, my, my  
My, my, my, my, my, my, my, my  
My, my, my, my, my, my, m-m-m-my, my, my, my, my  
My, my, my, my, my, my  
See, all you got to do, all you gotta do  
Is say that you'll be mine, all mine, all mine, all mine, all mine  
You'll be all mine tonight, baby  
Let me, let me show you how sweet it's gonna, whoa  
My, my, my, my, my, my  
You sure look good tonight  
My, my, my, my, my, my  
You sure look good tonight  
My, my, my, my, my, my  
You sure look good tonight  
My, my, my, my, my, my
