

After All (Vinte7 & Rodrigues Bootleg)

Oliver Koletzki

Feeling the heat, letting go
Closing my eyes, see you more
I'm free from myself, free from it all
Nobody's here anymore
And I couldn't sleep so I stop to say hello
And I couldn't leave though I tried I tried to go
I could not believe as I cross the empty floor
time had slipped way though I stumbled to the doorWhen the light ago out
Theres no one left no one left to call
After all
On my own again but I don't feel sad
I fly when I should fall
After allAfter all
After all
After allSwimming knee deep against the flow
Nothing to keep or to own
There is no truth I've been told
Notbody's here anymoreAnd I couldn't sleep so I stop to say hello
And I couldn't leave though I tried I tried to go
I could not believe sun was rising rising up
Was not prepared the answers to the problemAfter all
