

# You and I Both

Sam Tsui

Was it you who spoke the words that things would happen but not to me  
Oh things are gonna happen naturally  
Oh taking your advice and I'm looking on the bright side  
And balancing out the whole thing  
Oh but at often times those words get tangled up in lines  
And the bright light turns to night  
Oh until the dawn it brings  
Another day to sing about the magic that was you and me  
'Cause you and I both loved  
What you and I spoke of  
And others just read of  
Others only read of the love  
Oh the love that I love, yeah  
See I'm all about them words  
Over numbers, unencumbered numbered words  
Hundreds of pages, pages, pages forwards  
More words than I had ever heard and I feel so alive  
'Cause you and I both loved  
What you and I spoke of  
And others just read of  
And if you could see now  
Oh love, love, you and I, you and I  
Not so little, you and I anymore  
And with this silence brings a moral story  
More importantly evolving is the glory of a boy  
'Cause you and I both loved  
What you and I spoke of  
And others just read of  
And if you could see me now  
Well then I'm almost finally out of  
I'm finally out of, finally de de de de de de  
Well I'm almost finally finally  
Well I am free, oh I'm free  
And it's okay if you had to go away  
Oh, just remember the telephone  
Well, they're workin it both ways  
But if I never, ever hear them ring  
If nothing else I'll think the bells inside  
Finally found you someone else and that's okay

'Cause I'll remember everything you sang  
'Cause you and I both loved  
What you and I spoke of  
And others just read of  
And if you could see me now  
Well then I'm almost finally out of  
I'm finally out of, finally de de de de de  
Well I'm almost finally, finally out of words
