# This Crowd Is Crushing Me

## Send More Paramedics

Vast Populations Flee
Everybody's Fucking Leaving
Now We're All Refugees
Mass-Exodus, The Streets Are SeethingNo Escape From The Endless Horde
This Billion-Headed Bastard Out For Blood
Stifled In The Shrieking Herd
Cattle To Slaughter, Drops In An Ocean Of DustNo Place To Fucking Go
Praying I Must Be Dreaming
Multitude Of The Hateful Host
Lurching, Shouting, Shoving, ScreamingNo Escape From The Endless Horde
This Billion-Headed Bastard Out For Blood
Stifled In The Shrieking Herd
Cattle To Slaughter, Drops In An Ocean Of DustFlash Tide Of Panic In The Streets
This Can't Be Fucking Happening
Dear Faces Lost In The Stampede
I'd Kill You All To Fucking Breathe
And As You Struggle To Stay Free
We're Crushed Like Rats Beneath Your Feet
This Fucking Crowd Is Crushing MeCorpses Piled Against The Doors
Uninfected And Infected
Smothered By The Rabid Swarm
Charnel-Pile Of Human WreckageNo Escape From The Endless Horde
This Billion-Headed Bastard Out For Blood
Stifled In The Shrieking Herd
Cattle To Slaughter...Flash Tide Of Panic In The Streets
This Can't Be Fucking Happening
Dear Faces Lost In The Stampede
I'd Kill You All To Fucking Breathe
And As You Struggle To Stay Free
We're Crushed Like Rats Beneath Your Feet
This Fucking Crowd Is Crushing MeThere's Too Many...
