

This Grave Is My Bed Tonight

[Johnny Aries](#)

Searching for hope
When there's none
Is sad it kills me
Won't you come and make me happy
I'm so alone
Sad reccuring dreams
Pull my head away from my spleen
Please spare me from my misery
I'm so alone
Maybe this grave is my bed tonight
Maybe I deserve to be
Down here among the flowers and the remains Put me in the ground you won't see me again
Maybe this grave is my bed tonight
Maybe I deserve to be
Down here among the flowers and the remains
Put me in the ground you won't see me again Forgive my sins
Cos I've already died within Many times where do I begin
Oh I'm so alone
My head fills dread
When I dwell on bad things I've said
There's good in me I'm sure as can be
But I'll never know
Maybe this grave is my bed tonight
Maybe I deserve to be
Down here among the flowers and the remains
Put me in the ground you won't see me again
Maybe this grave is my bed tonight
Maybe I deserve to be
Down here among the flowers and the remains
Put me in the ground you won't see me again
