

I Might Be Wrong

Radiohead

I might be wrong
I might be wrong
I could have sworn I saw a light
Coming home I used to think
I used to think
There is no future left at all
I used to think Open up, begin again
Let's go down the waterfall
Think about the good times
And never look back
Never look back What would I do?
What would I do
If I did not have you? Open up and let me in
Let's go down the waterfall
Have ourselves a good time
It's nothing at all
It's nothing at all
Nothing at all [Incomprehensible]
