We're Just Kids

Dave Days

I messed up but won't stop now
We will become the greats of the worst mistakes
Won't fail to let you down
We've got plenty of time to figure it out
I'm a mess
I'm a wreck
Worked hard to be
Had enough
Screwed it up
But the blame on me
Doors locked left the light on in my bedroom
I won't be home tonight
Oh they tried to tell me (wrote it all out)
Their words went through me (fell the ground)
I must have missed the message (won't let it go)
And fell overboard
I fucked up but won't stop now
We will become the greats of the worst mistakes
Won't fail to let you down
We've got plenty of time to figure it out
We're just kids
Unprepared
Hardly care
Know that it'll work out
Wasted time

Far behind
Got my head in the clouds
I feel on top of the world and I'm not looking down
Oh they tried to tell me (wrote it all out)
Their words went through me (fell the ground)
I must have missed the message (won't let it go)
And fell overboard
I fucked up but won't stop now
We will become the greats of the worst mistakes
Won't fail to let you down
We've got plenty of time to figure it out
We're just kids x2
Waiting for the answers

Holding on to hope
Running out of chances
Won't let it go Won't let it go x2
I messed up but won't stop now
We will become the greats of the worst mistakes
Won't fail to let you down
We've got plenty of time to figure it out
(Solo)
I fucked up but won't stop now
We will become the greats of the worst mistakes
Won't fail to let you down
We've got plenty of time to figure it out x2
We're just kids
