

Until I Get Over You

Christina Milian

Woke up today thinking of you
Another night that I made my way through
So many dreams still left in my mind
But they can never come true, yeah
I press rewind and remember when
I close my eyes and I'm with you again
But in the end I can still feel the pain
Everytime I hear your name
The sun won't shine since you went away
Seems like the rain's fallin' everyday
There's just one heart where there once was two
But that's the way it's gotta be 'til I get over you
Walked through the park in the evening air
I heard a voice and I thought you were there
I run away but I just can't escape
Memories of you everywhere
They say that time will dry the tears
But true love burns for a thousand years
Give my tomorrows for one yesterday
Just to know that I could have you here
The sun won't shine since you went away
Seems like the rain's fallin' everyday
There's just one heart where there once was two
But that's the way it's gotta be until I get over you
'Til I get over you
When will this river of tears stop fallin'??
Where can I run, so I won't feel alone?
I can't walk away when the pain keeps callin'
I just gotta take it from here on my own
But it's so hard to let go, oh, oh no, no, no
Oh no, no
The sun won't shine since you went away
Seems like the rain's fallin' everyday
There's just one heart where there once was two
That's the way it's gotta be until I get over you, you
That's the way it's gotta be until I get over you, you
'Til I get over you
