Eggplant

From: The Art of Tea
Whenever I explore the land of Yen
I always take one on the chin
And now this lioness has almost made me tame.
I can't pronounce her name but Eggplant is her game.The lady sticks to me like white on rice.
She never cooks the same way twice.
Maybe it's the mushrooms. Maybe the tomatoes.
I can't reveal her name but Eggplant is her game.When my baby cooks her Eggplant,
She don't read no book.
She's got a Giocanna kinda of dirty lookAnd my baby cooks her Eggplant,
Bout 19 different ways.
Sometimes I just have it raw with Mayonnaise.-break-Maybe its the way she grates her cheese,
Or just the freckles on her knees.
Maybe its the scallions. Maybe she's Italian.
I can't reveal her name but Eggplant is her game.When my baby cooks her Eggplant,
She don't read no book.
She's got a Giocanna kinda of dirty look.And my baby cooks her Eggplant,
Bout 19 different ways.
Sometimes I just have it raw with Mayonnaise.
