710

Breezy

It's "Dab Day" it's a celebration it's a holiday all across the nation
take another hit out of moderation a side effect of the weed
cultivation it's not the strain it's the farmer's plantation to all the
people that suck this is your motivation fire it up then pass it to
a friend take a really big hit & then count to 10 hash oil I'm
loving it bragging about how high I get don't do drugs just
give 'em to me I'm sayin' let the people grow & be free an let
the people know I'm a pro Marijuana OG weed prodigy &
everybody says I'm in love with pot drugs are all I've got oils
I conceal them 710 satisfied & I really feel them weed won't
kill them so homies & the ladies know that i'm reppin' 710 (let's go)Chronic edibles smoking hash oil & dabs again
I'm reppin' that 710 (710)
Cannabis oils wax contracts & then those dabs again
reppin' that 710 (710)
Grab your pen thank God that it's July again
representing that 710 (710)
Now I'm ready for a "yabadabadoo we can do a dab or two I
have a few flavors we all love the vapors no need for papers
dabbing at the extravaganza damn I love the gonja partner I
am K.O.D. "King Of Dope" homie forgot to mention that I'm
on 710 an everybody's ready for the best smoke session I'm a professional you're a peewee the scenery looks like a smoke
factory smelling like greenery people say I'm pushy but I swear
I don't mean to be I got oil on me looking like I'm wearing
red contacts you need to face facts dog it's all about the
wax & pushing it to the max blowin' smoke out the window
obsessed with the beautiful kush cargo so tell a friend tell
a foe homies & the ladies know that I'm reppin' 710 (let's go)Chronic edibles smoking hash oil & dabs again
I'm reppin' that 710 (710)
Cannabis oils wax contracts & then those dabs again
reppin' that 710 (710)
Grab your pen thank God that it's July again
representing that 710 (710)
People lie but numbers don't drugs kill but the weed won't
People lie but numbers don't drugs kill but the weed won't
People lie but numbers don't drugs kill but the weed won't
People lie but numbers don't drugs kill but the weed won't
