

# Blame It

**Trey Songz**

Songz, he the truth  
Trigga get it loose  
DC Club Love fucked up off Goose  
Plus I gotta say, I am not engaged  
I ain't even in a ?ship, but you proally can't relate  
Ain't been half of whole since half of '08  
Pictures only tell half what the words can't say
