

# Rambling Rose

[Nat King Cole](#)

Rambling rose, rambling rose  
Why you ramble no one knows  
Wild and wind-blown, that's how you've grown  
Who can cling to a rambling rose? Wild and wind-blown, that's how you've grown  
Who can cling to a rambling rose? Ramble on, ramble on  
When your rambling days are gone  
Who will love you with a love true  
When your rambling days are through? Rambling rose, rambling rose  
Why I want you heaven knows  
Though I love you with a love true  
Who can cling to a rambling rose? A rambling rose  
A rambling rose
