

This Is My World

Darius Rucker

The look on your face
It could never explain your heart
And the touch of my lips
It could never tell you my thoughts And you want me to change
I can't get used to all you want me to be
I just can't pretend
To be anyone else 'cuz it's not really me This is my world
This is who I am
And I'm not gonna give up myself
To make your life better She said, this is how it is
I got my own life to live
And you can either accept me
Or baby And if it's love that we share
Then we can withstand all the obstacles that life brings forth
And I will receive you
For who you are who you were and baby who you will be But you want me to change
Girl I can't get used to all you want me to be
And I just can't pretend
To be anyone else, oh 'cuz it's not really me This is my world
And this is who I am
And I'm not trying to give up myself
To make your life better, now She said, this is how it is
I got my own life to live
And you can either accept me
Or baby This is my world
This is who I am
And I'm not trying to give up myself
To make your life better She said, this is how it is
I got my own life to live
And you can either accept me
Or baby let me go You said, I promise you the stars
And I'm giving you all I can now
You said love is not enough And I know you will see
If your life turns around
In my heart there is room for you It's me and my world
This is who I am
And I'm not trying to give up myself
To make your life better She said, this is how it is
I got my own life to live

And you can either accept me
Or baby This is my world
This is who I am
And I'm not trying to give up myself
To make your life better, now She said, this is how it is
I got my own life to live
And you can either accept me
Or baby let me go This is my world
My world, baby let me go
Oh, this is who I am, where I live
Got my own life to give Oh, oh, oh, this is my world
I'm not trying to change you
This is who I am
Please let me be me, yeah
